Product marketing videos

One product → a 9:16 marketing / viral video with bilingual captions & music

- 30s crossfade product story: hook → style directions → CTA
- Bilingual (中/EN) captions, voice-over narration & matched music
- Same pipeline drives sneaker, blender, earbuds, camera, coffee & more
- Output 1080×1920 — ready for TikTok / Reels / 小红书 / Amazon

How it works

Product photo / brief → style exploration → listing images → marketing video
